3-10 JANUARY 2016
CORPORATE HOSPITALITY

WELCOME TO BRISBANE INTERNATIONAL 2016

After coming so close a year earlier, it was fitting that both Roger Federer and Maria Sharapova's names were etched into the Brisbane International trophies as 2015 Champions. From the moment they touched down in Queensland they oozed class and had all of the state abuzz with excitement, a level of interest that can only come from having global superstars walking among us. There were rumoured sightings, wonderful random interactions and lifetime memories created for many.

Roger and Maria now join Serena Williams, Andy Roddick, Victoria Azarenka, Andy Murray, Kim Clijsters and Lleyton Hewitt as past champions of the Brisbane International, an event that has now evolved into a destination for world tennis stars.

Combining first class facilities, friendly hospitality and quality matches, Brisbane International creates the perfect environment for the players to begin the calendar year.

In 2015 almost 100,000 spectators attended the tournament, creating strong demand for access to Queensland's premier sporting event. The Queensland Tennis Centre offers a range of corporate facilities to entertain clients in comfort and style. With world class action inside Pat Rafter Arena as well as a great range of off-court activities, Brisbane International appeals to a wide demographic. Judged on three occasions as Queensland's Sport Event of the Year, we look forward to welcoming you to another very special event in January.

#RF1000

There were 1000 reasons why Roger Federer wanted to raise the Brisbane International champion's trophy in 2015.

Arguably the greatest tennis player of all time, Roger Federer returned to Brisbane in 2015 with one goal in mind - win the title.

This was Roger's second tilt at the Brisbane crown. In 2014, he featured in a dream final against Australian favourite and long-time rival, Lleyton Hewitt. In that match, one of the most memorable in the tournament's life, the local hero was forced to fend off a trademark Federer comeback to upset the Swiss maestro in front of a record crowd.

In his second year, Roger was determined to go one better and raise the trophy as champion. Fans witnessed his determination first-hand inside Pat Rafter Arena and marvelled at the class and dignity he showed to reach the final.

Remarkably, the 2015 final would not only be a chance for the 17-time Grand Slam champion to secure the title, but would also become his 1000th ATP Tour win. Only two men, American Jimmy Connors (1253) and Czech great Ivan Lendl (1071), have accomplished this feat in ATP Tour history.

His final hurdle on the path to 1000 would be world No.8 Milos Raonic who he went on to defeat in the decider 6-4 6-7(7-2) 6-4.

“This is a special moment... I will never forget this match.”

Roger Federer remarkably secured his 1000th career win when he defeated Milos Raonic to claim his maiden Brisbane International title at the 2015 event.
